

## California

### Soda Lake Air-to-Ground Gunnery Range

---

#### ***Facility and Location***

This site is located on the southwest side of the northern Carrizo Plain, 64 miles east of San Luis Obispo. It was used as an Army Air Corps air-to-ground gunnery range from 1944 until 1947. The Archives Search Report team determined that only practice bombs (with spotting charge) and small arms up to 20mm (solid head) were dropped/fired at Soda Lake. The land now belongs to the Department of the Interior.

#### ***Media Sampled and Findings***

**Groundwater** — In 2008, two of two samples detected perchlorate at 0.79 and 0.92 ppb.

#### ***Appropriate Actions***

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
